

TARGET PINS®

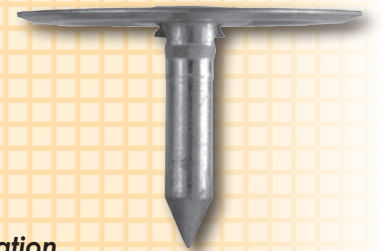

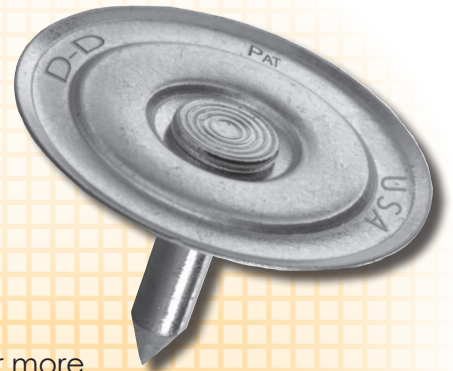

BDEP Aerodynamic Washer Patent #6,497,543

Target Pins® are a patented insulation fastener design. The distinctively embossed washer with recessed nail head improves the quilting contour of the secured duct liner as well as providing a strong stable welding contact point.

Another of the "World's Finest Insulation Fasteners", all Target Pins have a smooth shank, consistent point and no burrs. Target Pins are sold in 5 gallon pails.

FEATURES:

- Consistent formed points penetrate the toughest duct liner for more uniform welds.
- Patented aerodynamic washer and recessed nail head provides a flush air stream "friendly" finish to the insulation surface.
- Unique embossed washer provides added strength & stability.
- True "dished" edge for improved insulation quilting contour.

Convenient list of replacement plates and tips

SMACNA Insulation Fastening Standards conveniently located right on the label!!

Target Pins are sold in 5 gallon pails

Ordering Information

Item #	Code	Description	Quantity
26220	BDEP12	1/2 inch Aerodynamic Target Washer Pins for 1/2 inch Duct Liner	5000 Per Pail
